

## Privacy

We handle registered data such as e-mail addresses and names with care. We do not sell e-mail addresses or other data and do not pass data on to third parties. We also handle data sent to us via contact forms or via e-mail with care. This personal data is treated confidentially. For example, your data will not be added to a mailing list or provided to third parties unsolicited. In addition, we will delete the data over time, if it appears that it is no longer necessary.

## Cookies

This website uses cookies. A cookie is a small file that is sent along with pages from this website and is stored by the browser on the hard drive of your computer. This website places some cookies that are necessary for the functioning of the site. Think of being logged in and making it possible to respond. Some cookies are placed for analytical purposes and for displaying Google Maps, these are so-called 'third party cookies'. These cookies are not placed by ourselves, but by third parties (such as Google). For this reason, we cannot take any responsibility for this. Do you not want cookies to be placed? Then you can easily disable cookies via your browser. More information about this can be found on the website of the Consumers' Association

## Overview of cookies used

Below is a description of which cookies hetkoninkrijkje.nl places itself and which third-party cookies are used.

### Basic Features

These are cookies that are strictly necessary for the functioning of the website. Without these cookies, certain parts cannot be used. For example, portabase.nl uses cookies to protect input data and cookies to distinguish between sessions. Cookies may also be used to remember settings and preferences.

### Google Analytics

Anonymised data about surfing behavior is collected via Google Analytics. This way we can see how visitors use the website. We use this to analyze and optimize the operation of the website. The information obtained is stored by Google on servers in the United States. Google may provide this information to advertisers to help them understand the effectiveness of their campaigns. Google may provide this information to third parties if Google is legally obliged to do so, or insofar as these third parties process the information on behalf of Google. We have no influence on this. We have not allowed Google to use the obtained analytics information for other Google services. Read Google's privacy policy for more information, as well as the specific privacy policy of Google Analytics.

### Google Maps

This website uses the Google Maps service. Allows a geographic map to be displayed on websites. It is also possible to create route descriptions. When using Google Maps, various cookies are set, for example to remember the zoom level. The information that Google collects is anonymized as much

as possible. Your IP address is emphatically not given. The information is transferred to and stored by Google on servers in the United States. Google claims to adhere to the Safe Harbor principles and is affiliated with the Safe Harbor program of the US Department of Commerce. This means that there is an appropriate level of protection for the processing of any personal data.

Do you not want your click behavior to be tracked by Google? Then you can download a browser plug-in that prevents this from the Google website. This setting then applies to all websites that you visit.
